

Sacred Circle Dance Workshop with June Watts Calgary, Alberta, August 11-13, 2017

Dancing 'Here and Now'

A Sufi master once said (in essence) - *'when you dance your soul is where your body is, your body is where your soul is'*. And as Van Morrison sings - *'there's only here, there's only now'*. Our dances constantly remind us to leave the past and be in the moment and this is our focus this weekend - being present, being Here and Now. This is where our power is, this is where we create the future we desire. *June Watts*
