

In depth study/training with June Watts

Sat. Jan. 21st (11.00 – 5.00) and Sun. 22nd (10.00 – 4.00) 2017

Chrisandras Secret Studio, Mapperley, Nottingham.

A unique opportunity to work with June in a small supportive group to deepen and extend your experience of the Dance. June holds a very special place in our network through the connection and empowerment she experienced directly from Bernard Wosien (the father of our dance) in 1984.

June has been teaching for over 30 years and has been in recent years has run these trainings in several countries to enthusiastic feedback. Now it is our turn!

'What an extraordinary experience and privilege to be part of your Intensive. It was very powerful and I have a great fondness for your kind, spritely and profound teaching.' (Emily Perkins 'Training Course, May 2016 Boston USA.')

This weekend is suitable for anyone wishing to work with June in this way including (but not exclusively) teachers and would be teachers.

Cost £65 - £85 (sliding scale, pay what you can). To book contact Chrisandra@tesco.net or Tel. 0115 9554962
